

*Maryland Parent  
Support Group*

Caron is pleased to partner with Maryland Addiction Recovery Center (MARC) in founding our Maryland Parent Support group. MARC shares our desire to meet the needs of parents and is providing the space for our group.

This group is open to all parents who might benefit so please feel free to spread the word!

Caron Parent and Family Support Groups are specifically designed to meet the needs of those with loved ones who are currently in treatment, are using alcohol and/or drugs in a problematic manner or are in recovery. Our mission is to help ourselves and in turn help others whose loved ones are struggling with addiction. The purpose of these groups is to provide family members a confidential, safe place to find support, education, encouragement and hope on their own path to Recovery for Life.
